Football People action weeks
8 – 22 October 2015
Join the **Football People** action weeks  
08 – 22 October 2015

The *Football People* action weeks unite supporters, players, clubs, ethnic minorities, LGBT groups and activists to combat discrimination in football and to celebrate diversity in the game.

The *Football People* weeks are the biggest campaign against discrimination and for social inclusion in European football. In 2014 over 2,000 activities and events took place in 56 countries.

**Get involved this year and run your own activities!**

If you love football, be creative and organise your own activities: Events to welcome refugees and asylum seekers; anti-racist tournaments; celebrate diversity, events against homophobia; workshops to empower women in the game etc. Involve your club, (ex)players, other fans and communities! Everyone can confront discrimination in football with direct action.
